Amira's Language Courses : The Levels

Your Objective : Express Yourself Competently :

At Amira, you'll find small groups and dynamic, communicative methods. To attain one European level at Amira, you'll need normally only around 60 hours in a twice weekly group course or up to 80 hours in a daily intensive group. It's a big advantage for the student compared to the longer programmes of many other schools. You can achieve this here with us, because Amira's group courses (each half a European level) are fundamentally adapted to help well-educated, adult students learn in a time efficient way – with some regular self study; we have large electronic library, which you can access from home.

Total Beginners (Level A,0 – equivalent to half a European Level)

Level A.0 : For people completely new to learning European languages: Slow start. We help you to distinguish and recognise the basic sounds. You'll practise pronunciation, acquire essential vocabulary (with pictures) and discover initial grammar. The aim : your confident and clear verbal expression of the phrases you'll learn. Next Step = Level A1.1

Beginners (European Reference Level A1)

Level A1.1 : In this lively, dynamic beginners' course, we ask you speak right from the start, without translation. Learn introductions, numbers, shopping, directions, metro, pub small talk, restaurant, etc. The aim : to build rapid progress in your use of basic phrases. Next = Level A1.2.

A1.2: Have everyday conversations: neighbour, town hall, bank, market, post office, teachers, clothes, landlord. Next = Level A2.1

Intermediate (A2)

A2.1: Express your personality to friends. Talk about you, your work, your leisure and projects. Make dates.

A2.2: Using the language creatively, consolidate the basic structural knowledge necessary to have a conversation.

Higher - Advanced (B1 - B2)

B1.1: Conversation. Take firm control of your life, for example, at the garage, or on the phone, or in a dispute.

B1.2 : Evolve in the local environment. Contribute your views in fast-paced group conversations. Write letters and become sure of the basics.

B2.1-B2.2: Practical fluency. You'll practise advanced grammar and argue for ideas in complex, professional discussions. TV in the language will become natural to you.

Proficiency (C1 - C2)

C1.1-C1.2: Independence- Style. You'll develop a precise expression with freedom from, «Please correct my text».

C2.1-C2.2: Mastery, the path of perfection and taste, at ease with both great literature and specialised subjects.

Immersion Programmes (one or two students) at Amira

[Book Online](#)

On “Immersion Programmes” we spend more time on the culture of the language than in normal private lessons.

These are courses for your intellectual pleasure as well as improvement in your precise use of expressions.

For these programmes, we focus on a pre-agreed aspect of culture : literature, history, song, cinema, poetry, theatre, or other art forms.... They appeal particularly to those who are actively engaged in culture, for example, as academics, writers, journalists, language teachers, actors, translators, arts administrators, sponsors However, you do not need a direct, professional reason to book such courses. You can enjoy Amira’s “Immersion Programmes”, if you have already completed study in the language at least up to the European level to B2.1, have a high general education and a developed sensitivity to the cultural forms of your own language.

FEES These vary according to language / cultural focus / second student / special requirements:
